# Sign up for Honors by Contract!

- Work directly with faculty in developing a creative and challenging project or paper.\*
- Earn the designation of an Ocean County College Honor Student.
- Receive greater opportunities for scholarships from 4-year colleges/universities. As well as the potential opportunity to be nominated by their faculty member to be judged for outstanding work and monetary prizes.
- After 4 honors courses, you may be eligible for special recognition when you graduate!

There's no additional cost (just your OCC tuition) and the opportunities are priceless. A wide range of OCC courses are available for students to participate. Talk to your professor and sign up during the first few weeks of class. The application will need to be electronically signed and submitted by March 4.\*
