

Welcome from Executive Vice President of Instruction

Welcome to the e-Learning Program of Ocean County College,

Ocean Online is a major part of the Instruction Division of Ocean County College. This division works cooperatively with the Academic Affairs Division to deliver a superior education through our Pearson Learning Management System. Dean Maysa Hayward and I are responsible for the selection of all teaching personnel and their evaluation to insure that we operate at the highest standard of performance. Excellence in teaching and learning is our primary objective.

In addition to teacher evaluation by administrators, the e-Learning Program effectively complies with the course level Learning Outcomes Assessment and Student Evaluation of faculty established by College Policies.

We look forward to working with all our teaching staff regardless of their category of employment. We are here to assist all full time faculty, adjunct faculty, College Lecturers or administrators.

Please feel free to contact me at any time with any concerns and more importantly, news of your successes. My office is L-024 and it is located on the ground floor of the Library directly behind the switchboard operator's station. You can always reach me by email (rpstrada@ocean.edu or richard_strada@portal.ocean.edu) and by phone at 732-255-0400, extension 487.

Looking forward to celebrate your student learning successes,

Richard P. Strada

Executive Vice President-Instruction

Professor of Political Science
