HOL LABS ACCESS DIRECTIONS
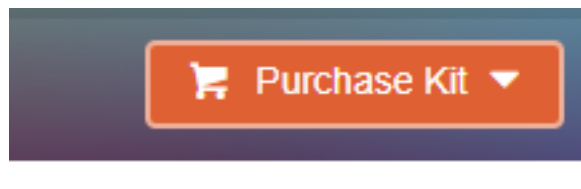

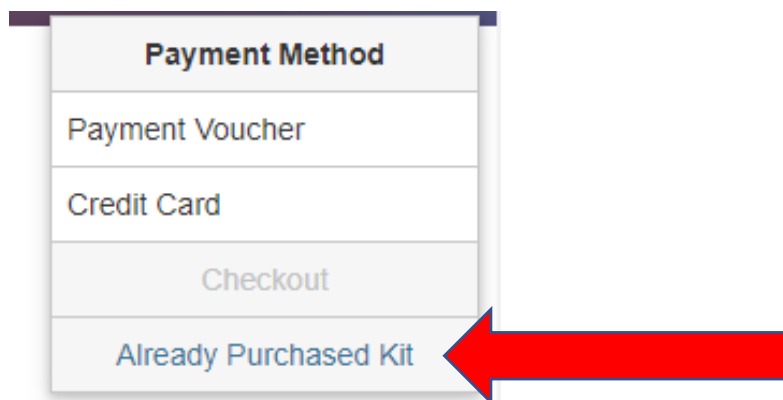

Once the Getting Started Module and the Lab Safety Agreement are completed, students need to input a kit code to unlock the rest of the labs.

Follow the instructions outlined below to input the kit code.
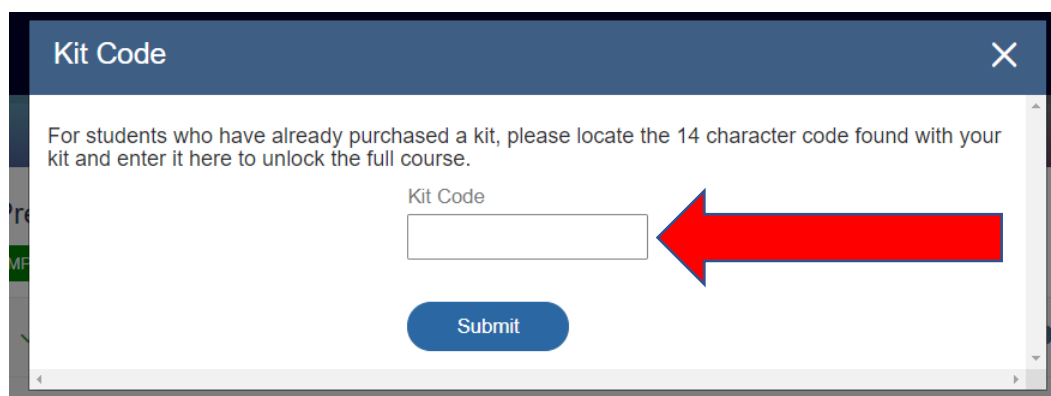

1. Go to your **HOL Labs Link** found in your course.
2. Click on the purchase kit drop down on the top right.

3. Click on Already Purchased Kit

4. Enter your kit code which is located on the outside bottom of the lab kit box here.

This should unlock the rest of the lessons for you to complete.
If you have issues with your **Access Code** please call **HOL Labs Customer Support** at **866-206-0773** choose **Option 3.**
